KEY TO BALKANS EVACUATED BY GERMANS

Third Largest City Taken By Reds In Pre-War Rumania

Nazi Communique Discloses Second Retreat of Twenty Miles in South of Old Poland Reporting Heavy Fighting

TARNOPOL AND KOVEL ARE STILL HOLDING OUT

BULLETIN
London, March 30.—(P)—Czernowitz, capital of Bucovina and gateway to the Balkans, has fallen to the Red Army's advance. Premier Stalin announced tonight a few hours after Berlin had acknowledged German evacuation of the strategic city.

By RICHARD McMURRAY
Associated Press War Editor

The Germans announced today the evacuation of Czernowitz (Cernauti), third largest city of pre-war Rumania, which the Russians said they had stormed from the north and west after forcing the Prut river.

Czernowitz, with 110,000 population, is a key to the Balkans. It lies on the Bucharest-Lwow railroad which was cut yesterday when the Red army, driving up the slopes of the Carpathian Mountains to within 30 miles of Czechoslovakia, captured Kolomea on the Prut.

Czernowitz is the capital of Bucovina province, the northern half of which Russia took from Rumania in 1940.

The Germans also announced a continued retreat—"disengagement movement according to orders" they called it—from the Ukrainian Bug river on the eastern approaches to Odessa.

The German communique disclosed yet another retreat of 20 miles in the south of old Poland, reporting "heavy fighting with advanced Russian formations" in the Stanislaw area. Stanislaw lies 70 miles southeast of Lwow on the railroad leading to Bucharest and 40 miles from the Carpathian mountain frontier of Czechoslovakia.

The whole German account had the flavor of grave reverses on their disintegrating southern front. The Nazis said the surrounded garrisons at Tarnopol and Kovel still were holding out. Kovel is deep inside old Poland, 480 airline miles from Berlin. The Germans also reported important Russian attacks southwest of Narva inside northern Estonia.

The battle of the Balkans was renewed at the southern end when Sofia, capital of Bulgaria, was bombed by night with heavy and medium bombers. Allied planes in 1,800 sorties from Italy slammed explosives into Rome, the North Italian metropolis of Turin, the Brenner Pass bottleneck, of Bolzano and the great Viterbo airfield beyond Rome. At the cost of 11 planes, these Allied fliers destroyed 22 German craft.

The surging Red armies of Russia encroached upon the Black Sea city of Odessa on a 215-mile semicircular front, sweeping up 150 localities on the way. Capturing strategic Kolomea on the Prut river, the Russians snapped the Bucharest-Lwow railway, forcing the Germans to rely on a route through Hungary. Kolomea, moreover, was a springboard base to the 3,076-foot Tartar pass through the rugged Carpathians into Czechoslovakia.

The slaughter of Germans continued apace, Moscow reported. Storming the fortress city of Balta in the Ukraine, the Russians (Turn to Page Nine)

BOY DIES IN ATTEMPT TO SAVE HIS PARENTS
Pittsburgh, March 30.—(P)—A 17-year-old air force cadet reservist was burned to death with his parents today after he had dashed back into their home and smoke-filled house in suburban Bradock in a vain rescue attempt.

He was Robert Exler, high school senior. He re-entered the home after other members of the family had fled when he learned his mother and father, Mr. and Mrs. Andrew Exler, Sr., had not escaped.

Simplified Income Tax Plan Proposed
Washington, March 30.—(P)—Having approved a simplified tax structure, the house ways and means committee today set out to erase some of the guesswork required of those who must estimate their income before they get it.

Under present law such estimates must be more by single persons earning more than \$2,700 and married couples over \$3,500, and by those with incomes of more than \$100 annually from sources other than wages and salaries.

Committee Chairman Doughton (D-N.C.) said it is too late to do anything about the declarations which are due by April 15 with at least a partial payment of 1944 taxes. The remedy looks toward relief in 1945.

Palestine Tense On Eve Of Expiration Of "White Paper"
Jerusalem, March 30.—(P)—The situation in Palestine on the eve of the expiration of the British white paper under which the difficult Jewish and Arab matters have been regulated since 1939 found both sides considerably, although illegally, armed today, with the picture spotted by recent sporadic outbreaks of violence and the outlook still admittedly tense.

Authorities remained outspokenly hopeful, however, that major clashes could be averted. A dusk curfew has been imposed and stringent laws carrying the death penalty for extreme terroristic activities have been reissued following last week's bomb-throwing incidents, which cost the lives of nine policemen, of whom six were British.

The 1939 white paper which expires tomorrow and which neither the Arabs nor Jews agreed to, provided that 75,000 Jewish immigrants might be admitted to Palestine up to March 31, 1944, with immigration prohibited thereafter except with the consent of the Palestine majority. This meant the consent of the Arabs, who now outnumber the Jews by two to one.

Jewish immigration has been slowed to a trickle by the war and the latest announcement in the British house of commons said only slightly more than 47,000 had arrived since 1939.

Prime Minister Given Cheering Vote

COMMANDOS STRIKE VITAL BURMA BASE

Glider-Borne Troops Make Slashing Attack on Communications To Isolate Japs at Myitkyina

1,000 IN CHINESE TRAP

By J. B. KRUEGER
Associated Press War Editor

Allied Air Commandos have struck at Mohnyin, Burma, in an apparent move to isolate further the important Japanese base at Myitkyina, toward which Lt. Gen. Joseph Stilwell's American and Chinese forces are driving hard.

Adm. Lord Louis Mountbatten's headquarters today said the glider-borne Commandos in a slashing attack on enemy communications, damaged Japanese headquarters in Mohnyin. This town is on the railway connecting Mandalay and Myitkyina. Myitkyina, situated north of the Burma road, stands between a junction of this highway and the new Ledo supply route out of India.

Gen. Stilwell's American-trained Chinese pushed on southward toward the enemy base, cutting the main road 14 miles inside the Mogaung valley and setting up a road block a mile north of Laban.

Stillwell announced that 5,423 Japanese had been killed in northern Burma since last Oct. 25 in opposing the Allied drive toward Myitkyina.

Elsewhere in the Burma battle the fighting grew in violence. Stilwell's Chinese fighters, in addition, trapped 1,000 Japanese troops in an egg-shaped region north of Shaduzup, above Myitkyina.

Allied troops inflicted heavy casualties on a Japanese force driving up the Tiddim road toward Imphal, an important communication center about 15 miles inside the border of India.

A second thrust to Imphal was (Turn to Page Nine)

Key Industries Listed Today For Deferment
Washington, March 30.—(P)—The War Production Board today announced an official list of urgent manufacturing programs in which the W.P.B., Army, Navy and Maritime Commission will ask draft deferments for key men 22 through 25 years old.

Considerably larger than a previous tentative list compiled last week, today's list represents those activities now considered most important in the light of immediate military needs.

The W.P.B., Army, Navy and Maritime Commission recommendations for deferments for men 22 through 25 will be limited to the following production items, including production of component parts for these items:

Army list—Amphibious "ducks"; tires and tubes (aircraft, combat and heavy duty); including necessary tire cord, fabric and milids; radar; rockets; critical components for trucks 2½ tons and heavier, including truck trailers and in a vacuum.

Expect Chaplin To Take Stand Today
Los Angeles, March 30.—(P)—Charlie Chaplin's own story of his love affairs with Joan Barry formed the defense's climactic testimony today in the film comedian's trial on charges he transported the 24-year-old red-haired film aspirant to New York and back for immoral purposes.

Defense Attorney Jerry Giesler, announcing only a few lesser witnesses remain to be summoned, indicated he expects to call the white-haired 54-year-old British-born actor, and perhaps conclude the defense's case, before tonight.

After Federal Judge J. F. T. O'Connor yesterday overruled a defense motion for a directed verdict of acquittal, Giesler called eight witnesses in rapid succession.

Frequently Chaplin's interest in the trial seemed to wane. Once during a recess he appeared sound asleep at the counsel table. He awoke with a start when several cameramen, shooting close-ups, set off flash bulbs almost in his face. Chaplin only grinned.

Defeats G. O. P.

(NEA Telephoto)
W. G. Stigler, above, of Stigler, Okla., has been proclaimed victor over his Republican opponent, E. O. Clark, in Oklahoma's special congressional election. Both sides had called the election a test of New Deal administration.

Washington, March 30.—(P)—Republican strategists showed some signs of shifting their attack from the administration's domestic record to its foreign policy today as a result of their setback in an Oklahoma congressional election, where the New Deal was almost the sole issue.

Lonergan Is Pictured As Slicker Dupe
New York, March 30.—(P)—Demanding the death penalty for Wayne Lonergan, Assistant District Attorney Jacob Grumet charged today that the young Canadian airman had killed his wealthy wife "in cold-blooded murder" because he had been cut off from her money.

Grumet summed up for the state after Defense Attorney Edward V. Broderick had declared in his final argument that Lonergan had been double-crossed, tricked and cheated by members of the district attorney's office and police.

Court then was adjourned until tomorrow when general sessions Judge James Garrett Wallace will send the case to the all-male jury.

Picturing the 26 year old defendant as a "carefree country boy who found himself in the big league," Broderick declared at the general sessions court trial that Lonergan was pined with liquor for hours to get him to confess that he battered and choked his heirloom wife, Patricia, to death last Oct. 24.

"He was not only drunk when he was brought into the district attorney's office but he was kept drunk," the defense attorney shouted.

Broderick, whose ringing sum (Turn to Page Nine)

Tots and Grandmothers Are Recruited For Nazi Plants
By WADE WERNER
Lisbon, March 30.—(P)—Little girls and grandmothers are being harnessed to Germany's war production tasks as the Nazis seek to overcome new manpower problems created by the destruction of thousands of factories by Allied planes.

A special appeal, German newspapers disclose, is being made to women over 45 to replace hundreds of thousands of male workers diverted from war production to emergency reconstruction, repair and relocation tasks.

They have been assured that consideration will be given to family problems and that part time work will be acceptable if they cannot give the whole day.

The girls, says the paper, "average 12 years of age, but there are also nine and 10-year-olds among them."

These drastic efforts to get women to fill the gaps in the labor ranks take on particular significance when one reads appeals to bombed out workers to return to their jobs. Apparently many thousands of workers leaving the industrial areas after factories have been damaged and their homes destroyed, are failing to return or report where they are.

REPORT MADE ON CASSINO BY SEC. STIMSON

Allied Attack on Italian Fortress Town "Subsided Without Achieving Results Hoped For"

TO PROFIT BY LESSON

Washington, March 30.—(P)—Secretary of War Stimson, discussing the situation at Cassino, said today "the simple fact is that the Germans stopped us."

He told a press conference the Allied attack on the Italian fortress town "has subsided for the time being, without achieving the results for which we had hoped."

The Germans, Stimson said, showed again "that they are obstinate and effective soldiers who do not quit when they are ordered to hold a key post at all cost."

"Their occupation of the steep hills where their guns covered the town gave the Nazis a continual advantage," Stimson said. "The bomb and shell destruction which our planes and guns wrought in Cassino did not prevent a garrison defense by those who survived our explosives and by other enemy troops who filtered in to join them."

"The rubble was good cover and the tunnels or caves in the adjoining hills where they sheltered and ease of movement. The rains immediately after the plan and gun barrage made a morass of the open ground around the town and limited the use of our tanks, while slowing the advance of troops climbing the hills under fire."

Stimson followed up his blunt acknowledgment that the Germans stopped the Allies at Cassino with this statement:

"That would be a severe setback only if we did not profit from our lessons. We have learned a great many things since the war began and we have put our learning into practice. There is no reason to believe that our ability to profit from experience has ended now."

The secretary also reminded the reporters that "no one made this a test of Allied power or suggested that in these operations we are concentrating our main strength."

MARRIAGE BY PROXY NOT GOOD IN STATE
Harrisburg, March 30.—(P)—Receipt of a fourth inquiry in recent months as to whether a license for marriage by proxy is permissible in Pennsylvania brought from the state department today a definite "no."

The latest request came from a New York organization, which said an American soldier residing in England wishes to have his marriage invalidated with an American girl living in New York.

EXECUTIVE DINNER
Harrisburg, March 30.—(P)—Governor and Mrs. Edward Martin today invited 12 commanding generals and officers of military posts in the Harrisburg area for dinner Saturday night in the executive mansion.

Mrs. Roosevelt Has Praise For U. S. Servicemen
Washington, March 30.—(P)—Mrs. Franklin D. Roosevelt said today, after a 14,000-mile tour of U. S. bases in Latin-America, that the American servicemen "have made very good names for themselves" in those areas.

The first lady, untanned and showing a slight loss of weight, talked mostly about the trip, which she made at the president's request, when she resumed her regular press conference schedule.

At each of her 24 stops ranging from the Virgin Islands to the Galapagos group, Mrs. Roosevelt said she told the servicemen the things the president had asked her to say to the men in those outposts.

She reported the men asked about developments in the southwest Pacific and the food situation at home, then replied in response to a question:

"There was very little talk of the (Turn to Page Nine)

Reds Thunder Into Bucovina

Wiping out a regiment of Hungarian troops in its wake, Marshal Gregory Zhukov's First Ukrainian army crossed the Dniester river into Rumania's Bucovina province to capture Sadagura, only four miles from Cernauti, gateway to the Balkans. Kamenets Podolski also fell, and gains along the Prut river and near Nikolaev closed in trap on Nazis there.

House Group Drops Recess To Rush 4-F Draft Bill Through; War, Navy Ask Quick Action

Washington, March 30.—(P)—Upwards of a million 4-Fs between the ages of 18 and 37, inclusive, face the probable alternatives today of taking essential jobs in civilian or war industry or being inducted into army labor battalions.

Abandoning plans for an Easter recess, a house military subcommittee headed by Rep. Costello (D-Calif.) began drafting legislation to surround the big group of rejections with statutory controls.

The committee worked under the spur of a request from the War and Navy departments that something be done immediately to find replacements for younger, occupationally-deferred men needed for combat service.

Predicting prompt action by both the senate and the house, Costello said he believed the legislation should provide for control of the activities not only of the 4-Fs between 18 and 37 but also of 4-Fs up to 45 and of non-fathers between 38 and 45.

Ultimately, he added, the armed forces presumably will insist on taking only men under 31 for general service, retaining control over the older men by exercising power to put them into labor battalions if they fail to go into essential jobs.

As evidence that there is a vast pool of labor available but untouchable now among the 4-Fs, Costello cited testimony given the committee yesterday by Undersecretary of War Robert P. Patterson, advocating legislation to conscript 4-Fs who won't take essential jobs, said there were 3,500,000 4-Fs between 18 and 37. About 1,000,000 of them are qualified to take industrial jobs to release younger men, he said.

His proposal, which struck a responsive chord among committee members, was that 4-Fs not in essential work be inducted and placed in an enlisted reserve from which they would be assigned to jobs or, refusing to take jobs, would be used in labor brigades for such work as picking apples, harvesting crops and doing other war-supporting work.

Only a "small residue" of the 3,500,000, Patterson estimated, would actually remain in the labor battalions because most of them would move quickly into essential jobs. Those retained would, for all practical purposes, be in the army but would not be eligible for mustering-out pay, bonuses, or other general veterans' benefits.

CHURCHILL IS SUPPORTED BY 425-23 TALLY

Urgently Summoned Turn out of Supporters Cheers Chamber To Rafter After Decision

HE SPEAKS BUT BRIEFLY

By JAMES M. LONG
London, March 30.—(AP)—Winston Churchill tonight won his eighth vote of confidence in four years from a recalcitrant house of commons openly vexed at being called to mark over a minor domestic issue, but ready to show its continued support of the government's overall program on the eve of a great new phase of Allied attack.

The division was 425 to 23—the prime minister's strongest showing since the first three virtually unanimous votes of confidence early in his leadership through the grim days of warfront reverses.

The house, packed with an urgently summoned turnout of government supporters, cheered until the old chamber rang as the vote was announced.

The immediate question was whether the house should stand by its action Tuesday when it overrode the government for the first time in Churchill's four years of wartime leadership by adopting a measure providing equal pay for equal work by men and women teachers.

Mrs. Cazalet Keir, who offered the equal pay amendment in the first place, told the house:

"The prime minister has left no other possible choice open to us than to support him. In this vote of confidence I am going to vote against a clause embodying my own amendment, not because my views are changed at all on equal pay, but because more vital matters have been superimposed upon it. In this great democracy of ours convention for once seems to have overruled common sense."

Many in the house, government supporters among them, were plainly provoked at their position. Churchill spoke only once and briefly. That was to say that because of a limitation on debate he (Turn to Page Nine)

Wide Split In Labor Party In New York
By SAMUEL G. BLACKMAN
New York, March 30.—(P)—The turbulent career of the American Labor Party, organized in 1936 to support President Roosevelt in his home state, was climaxed today by secession of right wing leaders, who said the party was now Communist-dominated.

Having lost control of the state committee in Tuesday's primary to a left-wing-CIO coalition, the right wing quit the party last night after declaring "another experiment in independent labor political action has failed."

Their statement said "Earl Browder (Communist leader) has captured the American Labor Party."

Politicians pondered what effect the split would have on the developing presidential campaign. The withdrawing leaders admitted concern for "the effect the disappearance of the ALP as a liberal-labor party may have on the Roosevelt strength in our state should he seek re-election."

The ALP, whose state committee makes the party's presidential nomination, gave Mr. Roosevelt 300,000 votes in 1936. In 1940 it gave him 400,000—more than the margin by which he won New York's 47 electoral votes.

The left wing is as ardently in support of a fourth term for the president as the right wing, but the latter said during the campaign it "did not want to put the president on the spot" with a nomination from "a Communist-controlled American labor party."

A committee of 22 was named (Turn to Page Nine)

Small Attacks On Beachhead Halted
Allied Headquarters, Naples, March 30.—(P)—Fifth Army forces repelled two small enemy attacks on the Anzio beachhead yesterday while Allied planes ranged for and wide over Italy, hitting targets in the Rome, Turin and Bolzano areas and sweeping across the Adriatic to bomb Sofia.

The communiqué made no reference to the Cassino front.

In addition to assaults on rail lines in northern Italy by large formations of escorted bombers, air operations yesterday included medium bomber sweeps against the Viterbo airdrome north of Rome and harbor and rail installations in northwest Italy.

Field dispatches said German tanks in Cassino again tried the strength of Allied defenders in the Continental Hotel area, but Fifth Army artillery dispersed them. A German patrol crossed the Rapido river south of the town but withdrew when Allied forces engaged it.

Total Casualties Placed at 173,239

Washington, March 30.—(P)—The latest reports on American war casualties set the total at 173,239 for the Army and Navy, an increase of 3,947 in a week.

Secretary of War Stimson said today that Army casualties in all theaters through March 15 totaled 130,619. The latest total reported for the Navy, Marines and Coast Guard is 42,620.

Stimson said that of the 53,124 Army wounded, 27,296 have returned to duty. Of the 27,742 prisoners, 1,675 have been reported by the enemy as having died of disease in prison camps, mostly in Japanese-occupied territory.

Going Up!

Final returns on Warren county's Red Cross War Fund campaign were announced by Red Cross headquarters this afternoon as \$61,623.61. This is 40% over the \$44,200 quota. With some returns yet to be turned in, Treasurer Paul E. Harrington believes the figure will top the \$82,000 mark.

Of this amount reported to date, the break-down for county and borough is as follows:

	Quota	Raised
County	\$12,500.00	\$18,236.32
Borough	31,700.00	43,387.29
Total	\$44,200.00	\$61,623.61

And, 90.4% of the amount was cash. Figures show that \$55,708.44 was obtained in cash, with a balance of \$5,915.17 in pledges.

Officers and directors of the Warren County Chapter, American Red Cross, express their appreciation and gratitude to every person who worked in the campaign and to all those whose contributions made this excellent record possible.

Spring Flattery for Women on the Home Front

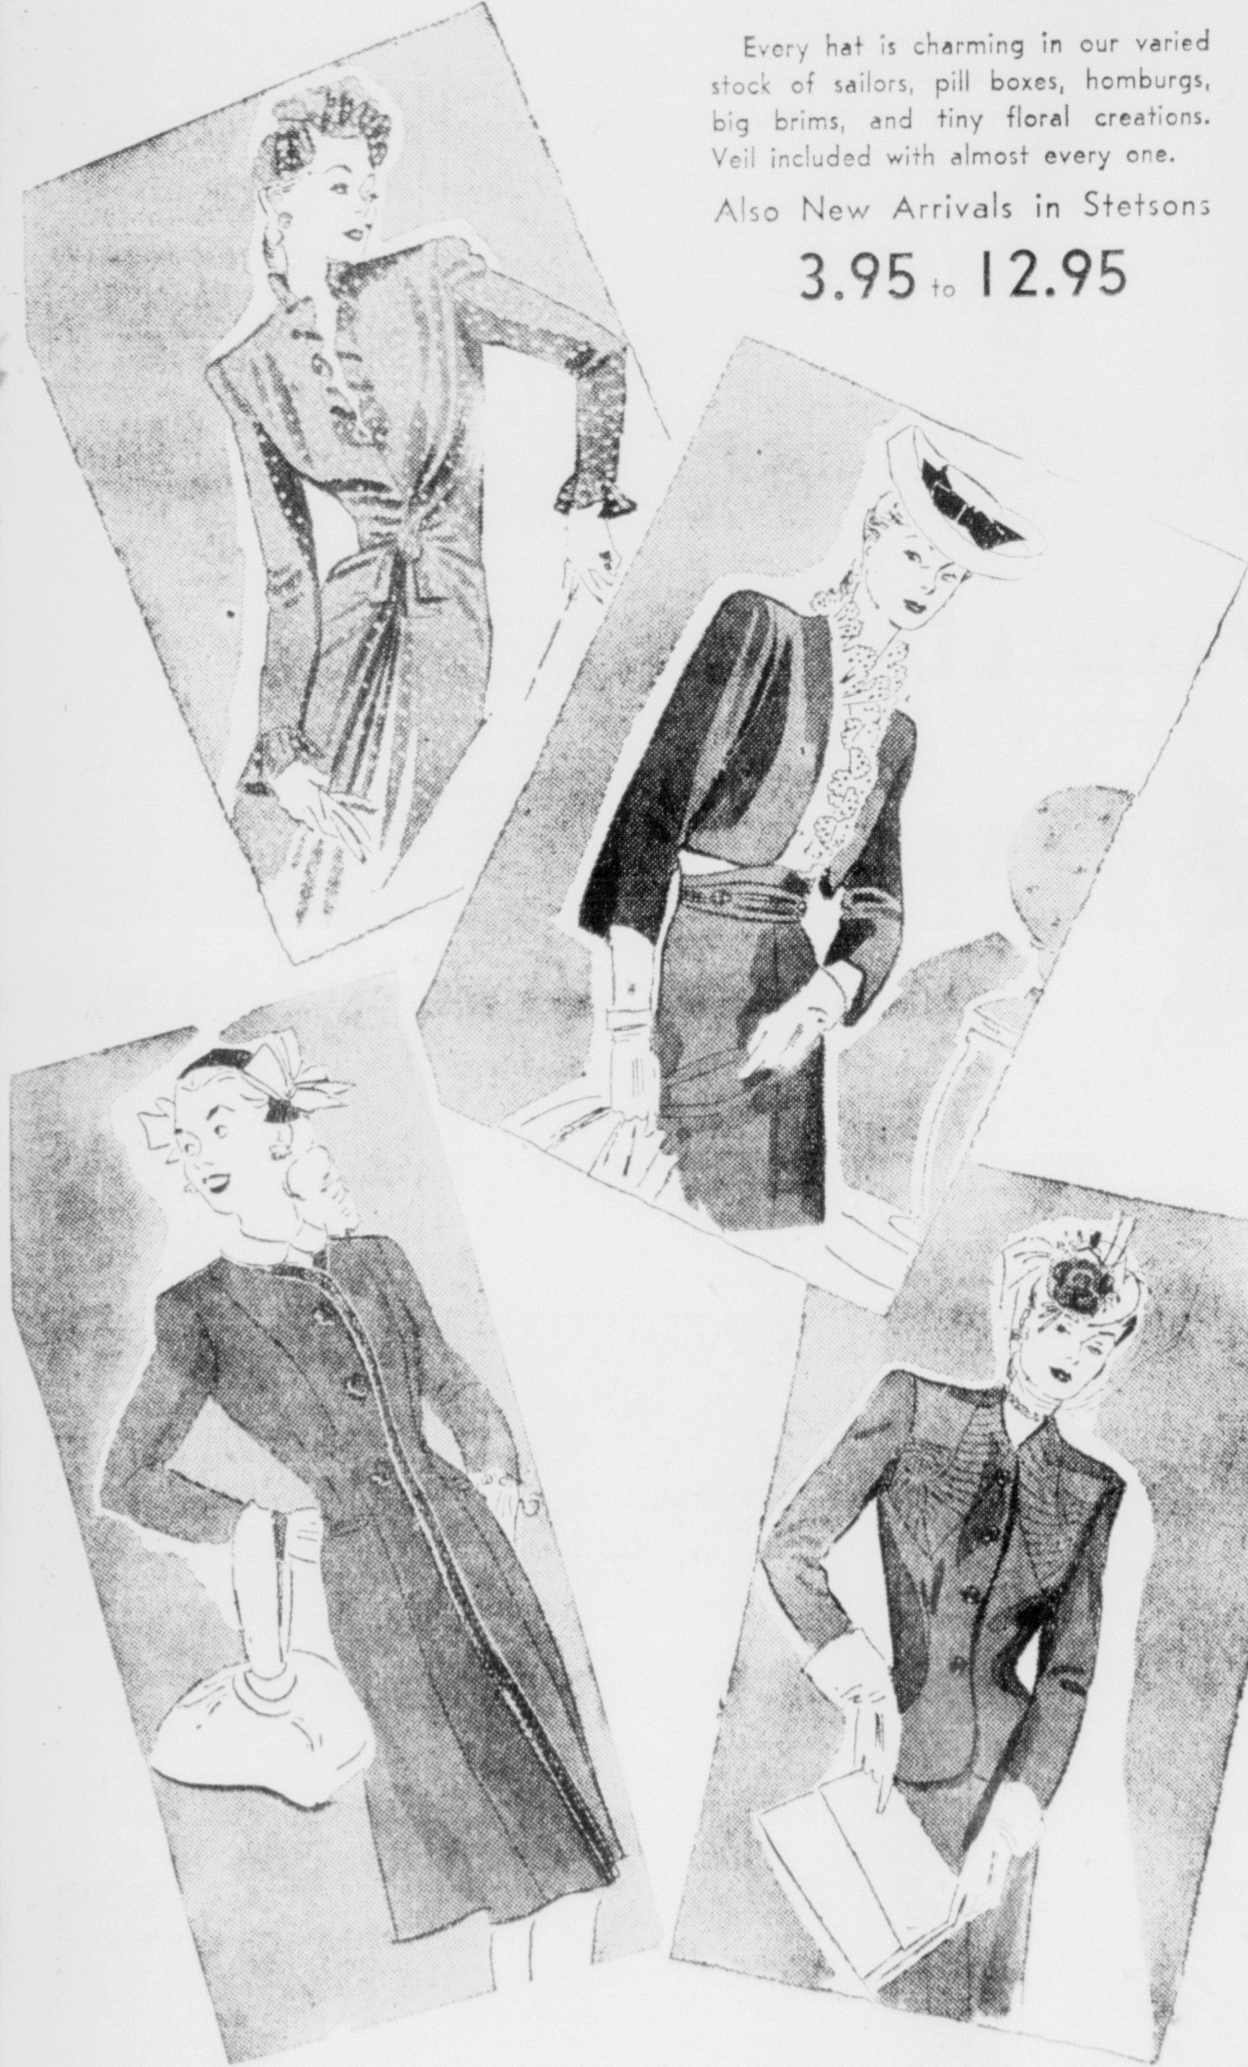

We have captured the high notes of Spring in these youthful fashions. Hats, suits, coats and dresses designed to give the home front women a lift.

Every hat is charming in our varied stock of sailors, pill boxes, homburgs, big brims, and tiny floral creations. Veil included with almost every one.

This Yank soldier, in a camouflaged foxhole on Bougainville Island, invites visitors to his "Sniper Inn," imposing a small cover charge of "one Jap."

Oodles of Taxes To Enter Scene Next Saturday Morning

Heave ho, my hearties and get busy buying up a stock of pan cake make up, oceans of cologne, oodles of lip stick and other war paint for the Missus as after Saturday Uncle Sammy will extract a 20% tax on such. Incidentally it might be wise to get 'er a new fur coat, that diamond tiara, new overnight bag, and other necessities for the same reason. Yep, Uncle Sammy is going to town in the way of putting on the tariff and no foolin'.

And if you want to take the fair one out for a final fling do it Friday night as at 10 a. m. on Saturday (and who stays up that late anyhow) a 25 cents on the dollar levy goes on night club bills. So some of the boys feel that the rush for ring side tables Friday night may rival the New Years rush.

And local dealers are anticipating that the buying of light bulbs

Women Pay After Giving Plea Of Guilty

Mrs. Elizabeth Mahaffey, of this city, and her daughter, Mrs. Delphine Ott, of Erie, charged with the aiding of an inmate of a state institution to escape, were given attention in court Wednesday before Judge Allison Wade. They were represented by Attorney William Dale, of Erie, and District Attorney J. H. Goldstein appeared for the Commonwealth.

The offense of aiding or attempting to aid the inmate of any state institution is punishable by a maximum fine of \$50 and imprisonment for a period of 90 days. The women entered a plea of "guilty" when arraigned and the court fined each \$5, each was tended to pay the costs which were heavy and to undergo imprisonment in the county jail for 30 days. The court suspended the jail sentence. The fines and costs were paid and the women released.

It was shown that they visited the State Hospital and on pretense of taking Myron Mahaffey out for an auto ride conveyed him to Erie county where he was hidden. Mahaffey had been at the State Hospital since 1937 following the kidnapping of his stepdaughter. Officers visited the Ott home in Erie and secured the man and arrested Mrs. Ott. They waived a hearing before Justice of the Peace Greenlund Wednesday morning.

Sheffield Man In Signal Corps Cited

An Associated Press dispatch received today from U. S. Army forces in the South Pacific reports that 19 Pennsylvanians were members of a signal construction company recently commended by Major General Oscar W. Griswold, commanding general of Allied forces in Bougainville, and that one of these was Pvt. Peter J. Orinko, 58 Deerlick street, Sheffield.

The citation was for "operating at half-strength during a most pressing period... to accomplish his mission... in a most creditable manner."

Ninety per cent of all forest fires are man-made.

Kiwanians Hear Of Oil Pipeline Work

Warren Kiwanis Club members were treated to a fine address on the gathering pipeline system of the National Transit Company at their meeting at the Hotel Carver Wednesday, the speaker being C. J. R. Mason, company agent from Oil City.

Much additional information was gained from subsequent remarks by M. W. Robinson, company engineer and also of Oil City, who spoke concerning "The Big Inch."

Karl Peterson, president, was in charge of the business session when Henry Ledebur, program chairman, made announcement that members would go in a body to Trinity Memorial church next Wednesday for the noonday Holy Week service, adjourning later to the hotel for luncheon.

Members busied themselves, also, at this time with the work of enveloping the current issue of the club's Home Front News, which is sent to servicemen and women both at home and abroad. Chester R. Seymour, Boy Scout executive, was a guest.

Missing Patient Is Recovered At Titusville

Police during the past few days have been on a quiet search for a patient that had escaped from the State Hospital but the fellow was found at Titusville and is now back in the institution. He got away on Monday and hitch-hiked to Titusville. The traveling man who gave him the ride to Titusville turned him over to police on arrival there as he suspected that the man was demented.

The fellow was lodged in the Titusville lockup but refused to divulge his identity. He was devoid of draft or identification cards. Police were puzzled by the man but later in the day the chief of the Titusville police called the State Hospital. The description given of the missing patient fitted the man exactly.

A supervisor from the institution went to Titusville and brought the fellow back to this city.

TIMES TOPICS

TO ENFORCE NO-PARKING

Announcement was made at police headquarters today that, beginning Monday morning, April 3, the ordinance prohibiting parking of motor vehicles on the improved streets of the borough between the hours of three and six a. m. will be rigidly enforced. Cars and trucks found parked on such streets will be towed away and owners will find themselves faced with paying costs and fines.

IS CHIEF SURGEON

Major F. G. Templeton, home on 10-day leave with family and friends, has been transferred from the Key West Barracks Hospital in Florida, where he was commanding officer, to Camp Butler General Hospital at Durham, N. C., where he becomes chief surgeon. Mrs. Templeton and their son, Freddie, who have been in the south with him, accompanied him home and will reopen their home on East street.

BETTER TIE UP BOWSER

An edict has been issued by the police department against permitting dogs to run at large in the borough. Chief of Police George Haehn stated that "a war against stray canines" has been started and owners wishing to keep pets out of the toils of the law and possible execution should keep them tied up. Spring work has been started by home owners, including victory gardens and lawn grading, and many complaints have already been received regarding damage caused by the animals.

WILL DROP POINTS

All frozen fruits and vegetables will be made point free from April 2 through April 29, the Office of Price Administration said Wednesday. Removal of all points on frozen commodities is being done to clear storage space for the new crops of meat, dairy and poultry products. Meat rationing will be continued and there is little possibility of its being lifted during 1944. However, it is announced that ready to eat hams will be one point lower per pound in April than in March and that the low values of fresh and cured hams will continue.

YOUNGVILLE

The play "Out of the Frying Pan" given Thursday and Friday evenings, last week owes its success, not only to the efforts of a good cast but to the direction: Miss Elizabeth Bittle and the following production staff, Violet Mulvey, prompter, Bob Adams and George Kay, stage director, Doris Jones, Eva Goodwill, properties, Lena Manelick, costumes; Peggy Dolberg, Anita Person, make-up;

Doris McIntyre, Margaret Spear, Shirley Dean and Mrs. Lake, poster; Janice Carlett, Margaret Spear, Florence Kingsley, program; Wm. Sandberg, business; Inez Artico, advertising and the class sponsors Miss Helen Zambiser and Miss Matilda Kamber. The ushers were Virginia Jackson, Jean Ellis, Mary Young and Donna Horner.

Though his private plane cracked up in a forced landing recently Jesse York and son Milford were uninjured. For Mr. York, a form-

er Youngsville resident, this was his first crack up in sixteen years of flying.

Harold Higgins has returned from a New York buying trip.

Armour Ideas Make the Most of Meat

Enjoy This Thrifty Pork Dinner

Do you know how to turn a pork shoulder into a delicious, savory roast? Here Armour shows you how. Plan on 2 to 3 servings to the pound, and order a fresh picnic, or shoulder butt pork roast. Place roast, fat side up, on rack in pan. Rub with salt and pepper (use 1/2 tsp. salt to the pound.) Roast uncovered in 350° F. oven for 40 minutes per pound or until meat thermometer placed in center of meaty part of roast registers 185° F. Serve with stuffed onions made as follows: Peel 6 large onions and boil in large quantity of salted water, un-

covered, from 20 to 30 min. Remove and rinse in cold water. Remove centers, leaving a shell of 2 or 3 layers of onion. Melt 2 tbsps. cloverbloom butter or margarine; blend in 2 tbsps. flour, 1/2 tsp. salt and 1/2 tsp. pepper. Add 1 cup milk gradually. Cook and stir until thick. Add 1/2 cup grated cloverbloom Cheese. Stir until melted. Chop onion centers and add to sauce. Add 1/2 cup buttered bread crumbs and fill onion shells. Top with 1/4 cup buttered bread crumbs. Bake in 350° F. oven from 20 to 30 min. ★ ARMOUR AND COMPANY

Better Check Registration With License

"Check your registration card with your new license tag." On the basis of errors discovered in tags obtained for members last week it is probable that thousands of Pennsylvania license plates will have to be returned to Harrisburg for replacement.

It has been found that while the number on the tag corresponds with the number on the envelope, it is different from the number on the registration card.

While every tag envelope bears a warning to car owners to check the plate with the card, many motorists fail to do this, officials say. In consequence, trouble may develop when it is later discovered that the registration card carried by the motorist is for a tag of a different number.

Both card and tag must be returned to the Bureau of Motor Vehicles where there is a discrepancy in the numbers.

Salvage To Be Picked Up At North Warren

North Warren which has established an especially good record in the pick-up of salvage is maintaining a fast pace in the work and has arranged for another pick-up on Friday of this week.

Chris Pepke, chairman of the North Warren committee is asking that all paper, rags, cans, metal, glass and, in fact, all sorts of materials that are salvaged should be at the curbs Friday morning.

It is also asked that the papers be separated and tied in bundles. Newspapers and kraft papers are desired in large quantities and residents are urged to get them out in large packages. Rags are also needed and a large gathering of the is asked. Tin cans are always essential to the war effort.

Chairman Pepke is hopeful that a record breaking amount of salvaged articles will be on the curbs.

The longest-lived butterfly, the "tortoise-shell," lives only a year.

TIMES TOPICS

FREE SCHOOL DAY

Borough schools will have an observance on Monday of the 110th anniversary of the establishment of free schools in Pennsylvania, known by governor's proclamation as Free School Day. In addition, there will be a meeting of all borough teachers at 3:45 p. m. that day in the high school building.

WILL HOLD ELECTION

Warren Lodge No. 109 Loyal Order of Moose will hold its annual election of officers next Wednesday evening in the Moose Temple on Hickory street. At the conclusion of the meeting a special floor show and lunch will be enjoyed and due to the size of the crowd expected at the meeting only male members of the order will be allowed in the building on this date.

AT STATE HOSPITAL

The North Warren Civic Club will take its minstrel show to the State Hospital tonight where it will be presented in the auditorium for the patients of the institution. The show was given its last public presentation Wednesday evening at another capacity house applauded the various numbers in the show. As is usual the efforts of the club to provide an excellent evening's entertainment scored 100 per cent and all who had a part in making the affair a success are receiving congratulations.

WORK BEING RUSHED

Work of erecting the new addition to the plant of the Sylvania Company is going forward in a rapid manner. The contractors have crews of men at work on several parts of the building and all are making fast time in their work. The roof has been put in place and is supported by temporary pillars while work of laying the brick sidewalls is going forward. When the sidewalls reach the height desired the roof will be lowered and put into place.

STATION IS OPEN

Theodore S. Abraham, Youngsville, who operates the Youngsville Atlantic Station called at the Times-Mirror office today and stated that the report from the Erie Times carried in this paper yesterday was erroneous. Mr. Abraham who was charged by the OPA with a 318 gallon inventory

DARLING CONTRACT LET

Clair J. Beyer, well known local builder, has been given the contract for improvements to be made by the Darling Jewelry Co. on the second floor over the Tasty Bakery, Mullen's Drug and

the present store of the company, which is to be made in one large room to be used for retailing a complete line of furniture. As soon as the architects complete plans Mr. Beyer will place a force of workmen on the job which is to be completed in sixty days.

LEND-LEASE TO RUSSIA

In 1942 half to all the tanks shipped abroad went to the army, together with more than 125,000 sub-machine guns, large quantities of American shells, to be used in making bombs.

Just SCRAPS

On April 19, Warren County, Corps, and Coast Guard are the best-fed fighting men today. Tin makes it possible, abroad, almost all the food arrives in Tin-lined steel containers. At sea, every sailor, Marine and Coast Guardsman eats food protected by tin. Our military forces now consume approximately 30,000 tons of food daily. Tin-coated steel containers—common Tin cans—protect this food, because Tin does not corrode from food acid, as most metals do. Tin will withstand shock, heat, cold, and tampering, climatic changes and storage hazards.

Each field emergency "K Ration" unit contains Tin can filled with meat. The Quartermaster Corps supplies soldiers, wherever field kitchens cannot operate or in isolated outposts, a package known as the "10-in-1 Ration". It consists of five different menus, to avoid monotony, and will feed ten men for one day. Each unit contains seven Tin cans. We can help pack those meals by salvaging our Tin cans.

Uncle Sam also provides Tin-packed food for ship wreck survivors on life rafts at sea. This ration is a square Tin can filled with hard candy, chewing gum and vitamin pills—all of which provide strength without exciting thirst. It is designed to supply nourishment for five or six men for one day, or one man for five or six days. One, only one, not-too-large can holds sufficient food for those men. When we salvage Tin Cans, then, we are helping to pack those life raft rations.

Tin Feeds

Thousands of our fighting men are scattered all over the world, in every climate, on land and on sea. Our Navy, Army, Marine

Society

Mrs. John Ekey Is
New President Of
The Phillomel Club

Mrs. John Ekey, actively associated with the musical life of the community for many years, was chosen president of the Phillomel Club at the annual business meeting on Wednesday, succeeding Mrs. Allie Russell, who has served the organization most capably, in that capacity.

Mrs. Ekey, treasurer of Phillomel for a period of about 20 years, has appeared regularly on its program and participated in nearly every club activity. Conducting her own piano studio for many years, she is well known among musicians and, during its active life, a member of the executive committee and diligent worker for the Warren Concert Association.

Others elected for the coming year were: Miss Jean Robertson, first vice president; Mrs. Charles Eaton, second vice president; Mrs. Harriett Wilkins, secretary; Mrs. Fern Bjers, National Federation secretary; Miss Mary Blocher, re-elected treasurer; Mrs. T. H. Conway, elected chairman of the music committee; Mrs. Eugene Kuester, re-elected librarian; Mrs. Lyle N. Schuler, re-elected press chairman.

Mrs. Russell called attention to the fact that there will be no club meeting next Wednesday because of Holy Week and that Mozart Club members will come from Jamestown for their exchange program on April 12.

Social Events

WOMAN'S AUXILIARY HAS FINE SPEAKER

Mrs. J. W. A. Luce will entertain the Woman's Auxiliary of Trinity Memorial church at her home on Market street at 2:30 p. m. Friday, when the guest speaker will be Mrs. William R. Taliaferro, president of the Pittsburgh Diocese Auxiliary and member of the national executive board. Hostesses for tea to follow will be members of Trinity Service League.

ELVIDGE CLASS ADVANCES MEETING

Elvidge Class members of the First Presbyterian church have advanced their regular meeting date because of Holy Week and will be entertained at 8 p. m. Monday, April 3, at the home of Mrs. Ed Beck, 222 Water Place. Mrs. Charles Hubbard will head the refreshments committee, assisted by Miss Hildegarde Edwards and Mrs. W. J. Huniston.

REBEKAHS REMINDED OF TIME OF MEETING

Members of Lady Warren Rebekah Lodge are reminded today to be on hand at seven o'clock Friday evening for the regular business meeting, several important items to include the election of officers. The card party for the public will begin at eight o'clock in the social rooms.

Social Events

MOTHERS' CLUB

Olive Archibald Huff, of the Warren Public Library staff and active worker in youth interests, will be the guest speaker for the meeting of the Home Street Mothers' Club to be held at 7:30 p. m. Monday at the school building. A large attendance is hoped for.

ENGAGEMENT TOLD

Mr. and Mrs. Louis Ulyan, of the Kane Road at Sheffield, announce the engagement of their daughter, Dorothy to Pvt. Stanley Korbar, son of Mr. and Mrs. Joe Korbar, 96 Beach street, Gowanda, N. Y. No date has been set for the wedding.

SPONSORING SALE

Trinity Memorial church school will sponsor a rummage sale in the Beckley building on Friday and Saturday of this week, with good values in children's clothing also some porch furniture.

LUTHERAN MISSIONARY SOCIETY IS POSTPONED

The Women's Missionary Society of First Lutheran church has postponed its regular meeting because of Holy Week and will meet April 11 instead of on the 4th.

ROCKWELL CLASS

Rockwell Bible Class members of Trinity Memorial church will meet in the parish house at 7:30 p. m. Monday and all are asked to be on hand for Red Cross sewing.

Personal Paragraphs

Nicholas Thompson, of Tionesta, was brought to Warren General Hospital yesterday for x-rays to determine a possible fracture of his right foot, injured when he caught it between a log and a tree.

Little Carol Diane Johnson, aged two and one-half years, of 100 Alexander street, was treated at Warren General Hospital Wednesday for a laceration on his chin, received when she fell in the basement of her home.

Word is received today from Erie that Miss Beverly Grettenberger, freshman at Villa Marie College in Erie, will begin her Easter vacation April 5 and will be home until the 12th to visit her parents, Mr. and Mrs. Karl Grettenberger, Tidioute.

It will interest his many friends to be reminded that James P. Marker, who has been a member of the local typographical union for 43 years and is now a resident of the Union Printer's Home at Colorado Springs, Colo., will observe his 73rd birthday anniversary on April 4. Mr. Marker learned his trade in the old Warren Evening Mirror, later becoming foreman of its composing room, and, still later, being employed in the same capacity by the Warren Morning Mirror issued by the Times Publishing Company.

W.C.T.U. News

GLADE UNION

Glade WCTU members will be entertained at 2:30 p. m. Friday at the home of Mrs. John Walters, 45 Hemlock street, and a large attendance is hoped for.

"I WAS CONSTIPATED FOR MANY YEARS!"

Now I'm 'Regular' Every Morning!

Constipated? Then here's an unsolicited letter you'll want to read: "I'd been troubled with common constipation for many years. Was taking laxatives and pills all the time, and feeling very weak and run down. 3 months ago, I began eating KELLOGG'S ALL-BRAN cereal. Now, I have a regular, natural movement every morning, which helps me feel my best." Mr. Samuel D. Blank, 292 Kings Highway, Brooklyn, New York.

What is this seeming magic of KELLOGG'S ALL-BRAN? Scientists say it's because KELLOGG'S ALL-BRAN can really "get at" a common cause of constipation—namely, lack of sufficient "cellulose" elements in the diet. KELLOGG'S ALL-BRAN is one of Nature's most effective sources of these elements, which help the friendly colonic flora fluff up and prepare the colonic wastes for easy, natural elimination. KELLOGG'S ALL-BRAN is not a purgative! *Don't* work by "sweeping out." It's a gentle-acting, "regulating" food!

If you have constipation of this type, eat KELLOGG'S ALL-BRAN or several ALL-BRAN muffins regularly. Drink plenty of water. See if you don't find lasting relief! Insist on genuine ALL-BRAN, made only by Kellogg's in Battle Creek.

Do you believe any soap
CAN MAKE YOU BEAUTIFUL?

SweetHeart Soap will cleanse your skin thoroughly and is so pure and mild that it agrees with even sensitive complexions. Complete cleanliness with SweetHeart Soap will allow all your natural beauty to appear. Beyond that, no soap can "make you beautiful".

SWEETHEART TOILET SOAP
THE SOAP THAT AGREES WITH YOUR SKIN

School Will
Give Show On
Wednesday

Announcement is made today by the Ludlow school that tickets will be placed on sale soon for the operetta, "The Magazine Princess", which will be presented to the public in the school auditorium at 8 p. m. Wednesday, April 5.

The work is being directed by Miss Catherine Maxwell, music supervisor, the cast including the following:

Marie, the magazine princess, Carol Carr; Michael St. Denis, in the secret service, John Stranever; Adam, a shepherd boy, Keith Gilfert; General Red Rozie, sent to kidnap the princess, Bernal Sowa; Florence Stewart, professor at Hargis, Louise Nelson; Herbert Minter, a senior at Hargis, Robert Johnson; Peter, a student at Hargis, Thomas Nelson; Jessica, a Hargis co-ed, Dorothy Bulitz; Bozo, Nozo, Hinky and Dinky, Royal Police commissioners, Raymond Ciprich, Clair Cochran, Edward Kisko and David Swanson; Betty Minter, Herbert's sister, Joyce Wallin; Julia, Hargis co-ed whose father is governor, Maxine Wal-

ton; the bear, William Beers; also secret service men, various choruses and dancers.

In 1942 trolley busses and motor busses together carried 8.2 billion passengers, compared with 4.8 billion in 1940.

Medical men of the American armed forces saved 96 out of every 100 wounded at Pearl Harbor.

CAN'T KEEP
GRANDMA IN
HER CHAIR

She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 8 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometime shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Easter Loves

There's a wealth of pretty Easter suits at Miller's—in bright shades or sombre hues . . . in cardigans or soft tailored types. SPORTS of all sorts

Women Will Be On Streams This Season

State College, March 30—The peacetime army of trout fishermen will be out in full force this year, in the opinion of Gordon L. Trembley, assistant professor of fish culture at the Pennsylvania State College, who looks for a sharp increase in the number of women anglers during the forthcoming season.

Women, he added, are a good match for men at the sport "unless," he put it, "they are the kind who overdo for the occasion, get another person to bait their hook, screen when they get a bite, or pull their companions into the stream when they get their feet wet."

To alleviate the transportation problem, the Penn State expert suggested car pools and community clearing houses for rides to streams and lakes. The era has passed, he said, "when a man packs his rods and bait and drives alone to his favorite stream to fish in solitude."

Trembley, emphasizing that fishing is a fine antidote for war-torn nerves, urged wholehearted participation by the men and women of the home front, and advised successful anglers to throw back into the stream all fish they are unable to eat or give to someone else to eat. Waste in wartime, he explained, is inexcusable.

Player Shortage Is Bothering Cards

By OSCAR KAHAN
Cairo, Ill., March 30—(P)—Manager Billy Southworth of the St. Louis Cardinals is "swing shift" squad to help solve the player shortage.

Several Cards can be transferred from one position to another in the event the service calls or injuries open gaps in the regular lineup.

Veterans Debs Garms and Pepper Martin are listed as outfielders but both have played third. Garms took turns at third and outfield with Pittsburgh in 1940, when he won the National League batting championship with .355. And Martin held down the hot corner for the 1934 World Champion Cards.

Johnny Hopp is coming up for pre-induction examination, but if he still is around the Cardinals will have an experienced outfielder and also a substitute for first baseman Ray Sanders.

BOWLING SCORES

AT PENN CENTER
Struthers-Wells League

One more week to go in the S-W League and anything can happen yet. The X-Ray lost 3 points to the Boring Mills. They still hold first place in this quarter until the match with the Foreman "B" is finished next Saturday. For Boring Mills Bob Check was the best with a 582 total while Sorenson had 217 single game. For the Foreman "A" Wooster had high total of 559. Morse had high single game of 233.

The Machine Shop and the Heaters split even. For the Heaters, Leonard Hansen was the best with 153 and 536. For Machine Shop, Weidert took all honors with 209 and 583.

The Foreman "A" which still has a chance to win the last quarter took 3 points from that strong Plate Floor team. For the Foreman "A" Wooster had 571 total while L. Johnson had the best game of 233. For the Plate Floor Hank Baldensperger took all the honors when he rolled 216 and 570.

In one half of the Gun Shop, Foreman "B" match The Foreman "B" being the half that rolled John Prand, in his second game, started off with a spare and then went on to get nine straight strikes to finish with 279 and a 601 total.

X-Ray 906 875 830—2511
Boring Mills 902 913 872—2087

Foreman "A" 907 799 892—2598
Plate Floor 814 846 852—2512

Gun Shop (Forfeit)

Machine Shop 11 13 .417
Boring Mills 8 16 .333
Heaters 3 21 .125

Leaders
High single game, J. Prand, 279
High three games, P. Coppola, 857.
High team game, Plate Floor, 1012.
High team total, Plate Floor, 2847.
Honor Roll: S. Castagnino 200-203, Schmiedel 213, J. Prand 279.

Zivic Drops a Decision To Fred Archer

Elizabeth, N. J., March 30—(P)—Freddie Archer, 1943, Newark, N. J., won a well-earned ten-round decision last night over Fritz Zivic, 149½, Pittsburgh, former welterweight titleholder.

Archer, who entered the ring on the short end of 7 to 5 betting odds against the favored Pennsylvania boxer with a relentless attack, spearheaded by left hooks to the head and body. He piled up points early in the contest by smashing away with both hands as Zivic retreated and tried to tie him up.

Referee Paul Cavalier gave the New Jersey fighter six rounds, awarded the fourth and seventh to Zivic, and scored the sixth and eighth even.

After the battle, Zivic, who made his 200th appearance as a professional, said a bruised hand and a blacked eye. However, he lauded Archer as a capable fighter and called him "a tough guy to handle."

Weather Interfers With Training

New York, March 30—(P)—While major league managers are moaning, "Who said ball teams never will train in the south again?" President Ford of the National League can find a little sunshine in the clouds.

Stopping off in a snowstorm at Muncie, Ind., to visit the Pittsburgh Pirates, Frick pointed out that all clubs were suffering equally from bad weather.

"The players are deriving certain physical benefits by holding indoor exercises and hoping for a streak of sunshine," he commented. "I realize, however, it's impossible to judge by what the athletes do in the gym just how they will stack up in actual baseball conditions."

Pitt manager Frankie Frisch cancelled today's scheduled exhibition with the Freeman Field team and the team prepared to head for Louisville, Ky., for a day of practice before week-end exhibitions against the Chicago White Sox.

Four members who attended the Cleveland Rabbit Show will have an interesting report to present and the social committee will serve refreshments.

Although still in its infancy, this organization is growing rapidly and much progress has already been reported. Many pounds of rabbit meat have been sold and

Growers Of Rabbits To Hold Meeting

The April meeting of the Warren County Domestic Rabbit Association will be held at 3 p. m. Sunday at the National Forge clubhouse at Irvine and anyone interested is cordially invited to attend. Ladies of the members are invited, also.

Four members who attended the Cleveland Rabbit Show will have an interesting report to present and the social committee will serve refreshments.

Although still in its infancy, this organization is growing rapidly and much progress has already been reported. Many pounds of rabbit meat have been sold and

The group has many plans in the making, one activity being a rabbit show to be held in the near future. Detailed announcement of this event will be made later.

IRVINE
Irvine, March 25.—Some of the sick are better and some who had scarlet fever are out of quarantine. The Olson family has the quarantine off and is getting along fine.

Mr. Abplanalp, who has been spending some time with her daughter, Mrs. Muntzgard, has returned to her home near Scandia as a daughter has come to spend some time with her mother from Akron, Ohio.

Mrs. Mendel Larson and little daughter, Susan, is enjoying a life with Mr. Larson at Fayetteville, N. C. They are expected home this evening.

Mr. and Mrs. Harry Wing were recently called to Mt. Jewett by who is not very well.

The serious illness of her mother,

Over last weekend Donald Walters of Ringlinton, N. Y., and Howard Walters of Pittsburgh visited their mother, Irene Walters, who has been quite ill but is reported as gaining. Howard returned Sunday evening and Donald left Monday afternoon.

Born this morning to Mr. and Mrs. Clair Hendrickson at the Warren hospital, a baby son, Mrs. Hendrickson was formerly Marjorie Abplanalp. Mr. Hendrickson has been in the army a few weeks.

Mrs. Irene Walters has received word from her son, Frank, that they have been moved again. They are now at Corsica but his address is just the same and any address caring to write him he would be pleased to hear from them.

On Wednesday, March 22, Mrs. Clair Stewart was very happily surprised by a large party of lady friends who came loaded down

with good things to eat, presents and a purse of money to remind her she was passing another milestone in her life. After spending a very pleasant afternoon and the serving of delicious refreshments all left wishing Mrs. Stewart many more happy birthdays.

So narrow are the streets in La Guira, Venezuela, that passing automobiles use the sidewalks on each side.

YOUR VICTORY GARDEN
By Robert Geiger
Adapted by W. L. H. H.

THE seed should not be covered by more than one inch of heavy soil or 1½ inch of sandy soil, and they should be about two to four inches apart in rows 15 to 18 inches apart.

They should be cultivated lightly but frequently until they bloom, but they never should be cultivated or handled while wet.

Pole beans are planted in hills which are three to four feet apart. About five beans are planted in each hill. In the center of each hill a pole should be set before seeds are planted. The poles should be rough, so that the vines will cling to it, and about seven feet high.

PEAS—A cool weather crop, grown at all seasons except summer in the south; and grown in the early summer and autumn in the north. They should be planted in the north, as soon as the ground can be worked. They like moderately rich soil but too much fertilizer causes rank growth of vines and fewer pods. Dwarf crops may be planted in double rows, with double rows spaced from 18 to 24 inches. For late seeding plant one inch deep,

GOOD quality depends upon quick growth so they should be cultivated carefully, fertilized and watered. Rows should be

about 15 inches apart and plants thinned to about two inches in the row. The tops from the young turnips may be used as greens. Seeds usually are broadcast in the soil and raked in lightly, instead of being planted in rows.

CARROTS—in the south they are grown in the fall, winter and spring. In the north they grow throughout the summer and may be stored for winter. The carrot will grow in almost any well drained soil, loose and free from clods. Sandy loams are best. Carrots in northern states, should be seeded as early in spring as the ground can be worked. No coarse manure should be used but commercial fertilizer can be applied. They should be planted thickly and thinned for salad use. Plant one-half inch deep, in rows 14 to 16 inches apart. Recommended varieties are Chantenay, Nantes, Danvers Half Long.

LOSS OF GERMAN ACE OVER EUROPE LISTED

London, March 30.—(P)—The German high command acknowledged today the loss of one of its greatest aces, Col. Wilke, in an air battle presumably with British or American fliers over western Europe.

Col. Wilke, who claimed to have shot down 151 planes, was one of the German air force's "most eminent fighter pilots and squadron leaders," said the German communiqué. He was the holder of the Oak Leaves With Swords to the Knights' Insignia of the Iron Cross.

CONDUCTOR KILLED
Johnstown, March 30.—(P)—J. E. Faith, of Freeport, a conductor, died under the wheels of a Pennsylvania Railroad freight train last night at Gallitzin, Coroner Patrick McDermott reported.

Quadruplets Doing Fine Hospital Says

New York, March 30.—(P)—The Zarief quadruplets bawled in juvenile four-part harmony today and doctors and nurses at Sloane hospital for women nodded agreement that they were feeling fine.

The children, born prematurely yesterday to Mrs. Harry Zarief, 27, are New York's first quadruplets in years, possibly the first in its history.

Two of the girls weighed five pounds, one weighed four pounds and the boy four pounds, 13 ounces. They are being kept in an incubator.

Hospital officials also reported that the mother was doing well today.

Commandos Strike Vital Burma Base

(From Page One)

countered with a concentrated blasting by planes an artillery of a Japanese column caught in the open while driving on that city from the north. The column reeled backward with heavy losses.

Adm. Lord Louis Mountbatten's New Delhi headquarters, reporting successes in the many-sided Burma warfare, pointed out the increasing role of air power in this theatre.

Allied planes have bombed and strafed Japanese positions in India and have helped clear a way for Stilwell's two-pronged advance.

In the Pacific, Allied airmen steadily pounded away at favorite targets such as Rabaul on New Britain and went on to pick out a new objective, Fakland Island.

Mop-up fighting continued on Bougainville in the Solomons, where trapped Japanese have been trying suicidal assaults against Americans dug in near Empress Augusta Bay.

The Japanese had other worries. Gen. Kensuke Fujiyama warned the homeland, Tokyo radio said, that Allied raids on the Japanese capital were inevitable, and called for their best efforts to defend the city.

Key Industries Listed Today For Deferments

(From Page One)

class one and class two tractors; research and development work specifically assigned by the technical services; certain airplanes to be listed in detail later.

Navy list—Landing craft; rocketeers; submarines; aircraft carriers; high capacity ammunition; radar; maintenance of ships and aircraft for the fleet; certain airplanes, to be listed in detail later.

Maritime list—All tanker construction; combat loaded cargo and transport ships (aicas and apas).

Men under 22 were not mentioned in the announcement, and manufacturing programs not listed were apparently out in the cold as regards government agency support for deferments of workers under 26.

Loneragan Is Pictured As Slicker Dupe

(From Page One)

mation lasted for about an hour and 40 minutes, charged also that the investigators double crossed Lonergan on a promise to keep secret his abnormal sexual habits if he would confess.

"This country boy from the far reaches of Canada," the attorney said, "was cheated by the city slickers of the district attorney's staff."

Declaring that the state had failed to prove that Lonergan was the killer, Broderick suggested two other ways in which the heinous might have met her death:

First, at the hands of a burglar, and second, at the hands of Mario Gebellini, who escorted her to night clubs just before the slaying.

Mrs. Roosevelt Has Praise For U. S. Servicemen
(From Page One)

election. Only one asked me about his chance to vote."

As a gift for the president, she brought home a model of the native sea-going boat used by fishermen at Recife, Brazil.

Wide Split in Labor Party in New York

(From Page One)

"to formulate plans for future political activity." The right wing said it would take no part in the State convention to be called shortly by the left wing.

TREASURY BALANCE
Washington, March 30.—(P)—The position of the treasury March 28:
Receipts \$329,218,655.60; expenditures \$376,236,783.80; net balance \$136,595,835.220.20; total debt \$186,838,114,203.05; decrease under previous day \$14,597,447.30.

PVT. VIZZA BACK ON DUTY AFTER INJURY
Mrs. Josephine Vizza, 312 Beech street, has received word from her son, Pvt. Louis P. Vizza, that he is back on duty with his outfit in Italy, after having been wounded in action in that theatre January 31 and hospitalized in North Africa.

N. Y. DEMOCRATS TO GATHER APRIL 12TH

New York, March 30.—(P)—A meeting of the Democratic state committee has been called for April 12 and foes of James A. Farley will have their opportunity then to oppose his reelection as state chairman.

Replacement of Farley by Thomas V. Cullen of Goshen was advocated last week by John J. O'Connell, Jr., Albany county chairman, but no other open support for Farley's ouster has developed.

20,000,000 POUNDS OF RAGS APRIL QUOTA

Harrisburg, March 30.—(P)—Collection of 20,000,000 pounds of rags during April for the war salvage program was called for today by the state defense council's salvage committee.

Salvage Secretary Colley S. Baker said, "virtually all rag production today is for war purposes. The army and navy, as well as war plants, are demanding more wiping cloths than the industry is able to provide, and inventories of rag dealers are approximately 25 percent below normal."

He added last month 40 counties reported collections of 1,953,055 pounds of rags.

'43 TAGS TO BE GOOD UNTIL 31ST OF MAY

Harrisburg, March 30.—(P)—Motor vehicle license registration plates for 1943 will remain valid until May 31 to permit the commonwealth to investigate applications for 1944 plates as required by a new law, Revenue Secretary David W. Harris has announced. The act, passed by the 1943 legislature, set up new definitions for dealers and investigation is necessary to determine if applicants for licenses meet requirements.

Normally new tags would be required after March 31.

WILL DISCUSS EXTRA SESSION AT MEETING

Harrisburg, March 30.—(P)—Governor Martin will hold a bipartisan conference in his office at 2 p. m. Tuesday to discuss plans for a special legislative session, probably May 1, to make it easier for Pennsylvanians in the armed forces to vote. A formal call for the session has been delayed pending the conference.

State Republican and Democratic chairmen, and leaders of both parties in the general assembly, as well as presiding officers, have been invited to attend the conference.

Targets Near Paris Bombed By Halifaxes

(From Page One)

have on virtually every recent occasion that the Germans have come out to fight. Fighter pilots alone shot down 39 of the enemy.

A U. S. communiqué announced today that the American fliers had shot down 48 Nazi planes, escorting fighters accounting for 39 of the enemy and the heavy bombers for the remaining nine. Other enemy planes were shot up on the ground by American fighters which strafed airdromes on the way home.

Nine U. S. bombers and nine fighters failed to return from all operations of the day.

Third Largest City Taken By Reds In Pre-War Rumania

(From Page One)

killed 2,000. A like number perished in a great death pocket being closed by two Russian armies 40 miles northeast of Czernowitz. German "carpet baggers" were reported streaming across the Carpathians into Hungary before the Russian phalanxes.

German troop trains carrying reinforcements to bolster swaying German lines in old Rumania were attacked by Tito's Yugoslav partisans.

Churchill Is Supported By 425-23 Tally

(From Page One)

did not feel justified in offering any arguments on the main issue, but that he wished to "assure the house my not taking part in the debate is not due to any want of respect or a desire to shirk my duty."

Banquet To Be Largely Attended One

Sale of tickets for the forthcoming farewell party to be given by the Warren Field and Stream Club in honor of Lenn Donaldson, Club secretary and George Norris, County Game Protector, on Wednesday, April 5 at the Y. W. C. A. is progressing according to expectations.

Plans of the program committee are being kept a military secret but bits of information which have leaked out through the club's Fifth Column give promise of an evening of fun and frolic long to be remembered by those members who attend.

Lenn and George are soon to leave us for service in our country's armed forces. The membership of the Field and Stream Club owe these men a tribute for the splendid job both have done in furthering the interests of sportsmen in the county. This is to be our small way of saying "Thanks" and "Hurrah Home" to bigger and better days of hunting and fishing in the old familiar haunts.

Members are again reminded that limited facilities at the Y. W. C. A. will take care of only 200 reservations for dinner which will be served promptly at 6:30 p. m. Reservations must be made by Saturday, April 1 in order that necessary arrangements may be made with the Y. W. C. A.

Tickets may be purchased at Don Finley's Store, Bimber's News Room, George Irvin's Grocery and from the following committee members: Guy McKinley, C. C. Winans, O. C. Tritt, J. S. Kiernan, Wm. Simonsen, Ross Bailey, C. H. Springer and Chas. Burdick.

Price of admission including dinner plus fun is \$1.50.

Many Adults Invested As Girl Scouts

TIMES TOPICS

MEETING TONIGHT

This evening in the Pleasant Grange hall Mrs. Thelma Prendergast will give a demonstration and it is expected that there will be a large number in attendance as these meetings are of great value.

CHIMNEY BURNED OUT

Firemen were called to 23 Plum street at the home of Lawrence Anderson yesterday where a chimney was on fire. No damage was done. A grass fire near the Unit Oil Company in the West End was also put out when neighbors feared that it might cause damage.

PUBLISHING ANNUAL

The Mohr Printery, Pennsylvania avenue, east, is engaged in printing the Kane High School Annual, The Hurri-Kane. The book is always a most commendable publication compiled by students of the school and will be well illustrated and highly attractive.

EASTER VACATION

It is learned today from John G. Rossman, superintendent of schools, that Warren borough schools will begin their Easter vacation at the close of classes on Wednesday, April 5, and resume classes on the morning of Tuesday April 11.

SERVICE TIME SET

It is learned today that the time for the Easter morning sunrise service to be sponsored by the Warren Christian Youth Council has been set for 6:30 o'clock. All youth of the community are invited to participate in the service, details of which will be announced later on.

FLOOD CONTROL BILL

According to an Associated Press dispatch a flood control bill for rivers in this state has been passed. The bill carries an authorization for work amounting to several millions. The bill carrying the construction of the dam near Kinzua in the Allegheny river was passed several months ago. All are post war projects.

BOARD BLOWN DOWN

A billboard near the Klenck Garage, 2037 Pennsylvania avenue east, was blown partially down by the high wind of yesterday. The board came to rest on some wires leading into the garage and became a menace to passers by. Police were summoned and they had the board pulled down. Police yesterday also picked up a 15 year old boy Roy Haines of Durant City. The youth has been staying with some Warren friends. He had a stolen bicycle in his possession. His mother was notified by the Kane State Police and the matter will be adjusted.

The largest group of adults ever to be invested as Girl Scouts in Warren county received their pins in a ceremony at the meeting of Troop 100 at the YWCA Tuesday evening. Six troop committee members, seven leaders and assistant leaders and one council member were in the group.

Many of the participants in the ceremony have been active in Girl Scouting for several years but they have never before made the pledge of service through Girl Scouting which makes them eligible to wear the insignia of the organization.

Leaders and assistant leaders who received their pins were: Mrs. Fred Wendelboe, Jr., Troop 22; First Methodist church; Miss Mildred Dunkle, Troop 12; First Baptist church; Mrs. Hazel Gordon and Mrs. Mildred Washburn of Troop 5, Irvindale school; Mrs. Howard Wagner, Troop 47, Seneca school; Mrs. Gerald Whaley, Troop 53, Spring Creek; Mrs. G. N. Odell, Troop 44, Lack school.

Troop committee members included Mrs. Ned Lauffer, Troop 22; Mrs. J. W. Rohrer, Troop 44; Mrs. Orrie Beebe, Troop 51, Pleasant township school; Mrs. Paul Kafferlin, Mrs. Chandler Mason, and Mrs. Bernice Siedler, all of Troop 53, Spring Creek.

Mrs. B. J. Messerly, chairman of the public relations committee of the Warren County Council of Girl Scouts, was the council member who received her pin.

The ceremony was conducted by Mrs. C. Vance Weld, commissioner of the Warren County Girl Scout Council, and Mrs. A. N. Correll, executive secretary.

Announcement was made during the meeting of a spring style show to be held at the Metzger-Wright Store on Saturday, April 22, under the auspices of the public relations committee.

Easter Gifts Sent Service Men In Mails

Youngsville, March 29—This week 150 boxes of Easter candy started to local service men now in the United States. Several letters of appreciation of the boxes already sent were received and read at the meeting of the service.

Officers of the service club wish to emphasize the importance of keeping the club secretary informed of the correct address of local men. Just as soon as a change of address is made parents or other relatives should notify the Service Club. In general gifts are sent out near the first of the month but some times as at this time gifts are sent earlier so as to bring a bit of cheer at a holiday season. An illustration of incorrect address was made this week when a Thanksgiving fruit cake was returned to Youngsville Post Office. The box was covered with various addresses as an attempt had been made to follow the lads' movements. The fruit cake was still in good condition.

The May gifts will be sent to one hundred or more local boys now abroad or on the high seas. Please friends see that the boys in which you are interested has the correct address on his package.

MISSIONARY PROGRAM

At this week's meeting of the Methodist Woman's Society of Christian Service held at 2:30 p. m. in the church parlors Friday March 31 a special invitation is extended to all mothers, wives or close relatives of lads whose names are on the Methodist honor roll. The first Friday program will be patriotic in nature and opportunity is to be given for relatives of these service men to
